RE: Pro-life hymn and Priests for Life newsletter
DATE: October 25, 2004

I received a call from Fr. Gary Sigler, the pastor of St. Mary in Huntington, with regard to a beautiful pro-life hymn that was composed by one of his parishioners, Mary Hubley. He was so moved by the hymn, "Jesus, the Lord of Life," that he generously offered to pay to have copies made for all the parishes in the diocese. He asked if our office would be willing to distribute them which we gladly agreed to do. Enclosed is a copy of Mary Hubley's CD and a sheet with the hymn's verses.

Finally, I have also enclosed the last two newsletters for Priests for Life. Please let me know if you have any questions.
